Make your reservation here:

<https://www.arapahoecountyfair.com/p/pages/2022-4h-camping>.

Campers will select their own site on the interactive registration map. **Campsite reservations are limited to (1) space per applicant.** Campsites are available starting Saturday, July 22nd, 2023 through Sunday, July 30th, 2023. Campsites are \$50 and will be available on a first come, first serve basis, so be sure to act fast! **There are 70 spots available. Once they all sell out, no exceptions or changes will be made.** We have included the maximum number of spots available, and we do not have space to add additional spots.

Please note that camping registration will include a verification process to ensure that only 4-H families are reserving camping spaces. **When you register for camping, please have your FairEntry invoice number ready to go. You can find your invoice number on the confirmation email from FairEntry. You can also email Jean Walton (jwalton@arapahoegov.com) to receive your invoice number. Please have your invoice number ready to go when you reserve your camping spots to avoid delays.**

Due to the verification process, after you reserve your camping spot, staff will cross-check the FairEntry invoices to the camping reservations. You will receive a confirmation of your camping reservation by July 1st, 2023. If your information is not approved, you will receive a refund.

Please see the map below for additional camping information. **There will be no trailer parking allowed (in red) outside of the 4-H camping area, all trailers not being used during fair week will need to be parked in the area in blue. There will be access to a shower trailer and portable toilets onsite (in yellow) as well as a dumpster for your trash.** We are excited to host you and look forward to a great fair! For questions on your FairEntry invoice number, please email Jean Walton at jwalton@arapahoegov.com. For more questions on registering for a camping spot please contact Jessica Hites at jhites@arapahoegov.com.
