Arapahoe County Extension 4-H

Policies for Success

2017 – 2018

All 4-H Members and their families are expected to be familiar with the Arapahoe County Extension 4-H Policies, as well as the [Colorado 4-H Youth Development Policies](#) from Colorado State University Extension. It is necessary that 4-H members and their families read and understand both sets of policies as each policy addresses state and county standards that are equally essential to administering and facilitating a successful 4-H Program. The Colorado State Extension 4-H Policies supersede the Arapahoe County Extension 4-H Policies when something is not addressed in this document.

The Arapahoe County Extension 4-H Policies are intended to cover the non-competition-related policies of the Arapahoe County Extension 4-H Program. Few competition-related items may be found in this document. The Arapahoe County Extension 4-H Policies do not disclose rules, regulations, or requirements regarding specific competitions. Information for specific competitions can be found on the [Arapahoe County Extension website](#) and in the [Arapahoe County Fair Book](#).

Colorado State University is the land-grant institution responsible for the administration of the Extension program in Colorado. At the local level, the Arapahoe County Extension 4-H Agent is responsible for administering the Arapahoe County Extension 4-H Program.

The Arapahoe County Extension 4-H Program

4-H is a community of young people, ages 5-18, across America, learning leadership, citizenship, and life skills. The Arapahoe County Extension 4-H Club Program serves youth with similar interests who meet to learn a new skill in a 4-H project area.

The 4-H year runs from October 1 - September 30.

All 4-H members, including Cloverbud members and volunteer-leaders, must be enrolled in only one county, and only one [club](#) in the Arapahoe County Extension 4-H Program.

Logos, Names, and Emblems

Only 4-H clubs, 4-H entities, enrolled 4-H members, and 4-H volunteer-leaders may use the 4-H name and emblem; i.e., the 4-H clover. Other uses must be authorized by the state 4-H Youth Development Director.

4-H Membership

The Arapahoe County Extension 4-H Program welcomes youth from any county, ages 5-18 (as of December 31 of the current 4-H year), regardless of race, color, creed, sex, national origin or disability.

4-H Membership/Age

4-H age is the age of the individual on December 31 of the current 4-H year. The 4-H year runs from October 1 to September 30.

- Cloverbud members: 5-7 years old (non-competitive)
- Junior 4-H members: 8-10 years old
- Intermediate 4-H members: 11-13 years old
- Senior 4-H members: 14-18 years old
- 4-H Volunteer-Leaders: 18+ years old

Cloverbud Membership

It is neither the intent nor the objective for 4-H Cloverbud members to duplicate the 4-H Member experiences that are designed for older 4-H youth, nor to create a “mini-4-H” concept. 4-H Cloverbud members are recognized as 4-H members for the purposes of enrollment, they are considered to be in a special 4-H membership category with regard to program and policy. As a result, 4-H Cloverbud membership is fundamentally different than general 4-H membership.

1. 4-H Cloverbud members participate in occasional, non-competitive, age-appropriate, properly supervised events or activities.
2. Cloverbud members enroll in the Cloverbud Project only. 4-H Cloverbud members should not have ongoing projects of any kind.
3. 4-H Cloverbud members may not handle animals, firearms or equipment of any kind.
4. 4-H Cloverbud members do not conduct formal business meetings, elect officers, or handle finances.

4-H Membership (Junior, Intermediate, Senior) Requirements

1. Be of appropriate age.
2. Complete 4-H member enrollment on 4HOnline.
3. Enroll in at least one 4-H project per year.
4. Complete and submit additional required forms; e.g. forms for all animal project(s).

Participation in county, state, regional, and national events is limited to 4-H Members in Good Standing.

4-H Volunteer-Leader Membership

4-H volunteer-leaders are the heart of the 4-H Program. A volunteer-leader serves in a multitude of roles ranging from the club-level to supervising other volunteer-leaders at the county-, regional- or state-level(s). 4-H volunteer-leader roles include [Organizational Club Leader](#), [Project Leader](#), [Resource Leader](#), Activity Leader, Advisory Council Leader, Chaperone, Cloverbud Leader, Council or Committee Member, Event Coordinator, etc. For more information on the various roles, contact the Arapahoe County Extension Office.

10. Be authorized and approved volunteer-leaders through 4HOnline and receive protection from liability under the Governmental Immunity Act (24-10-101 CRS et seq). Liability protection is only provided towards actions within the scope of responsibility per volunteer-leader; as long as such actions are not willful and wanton. The performance and actions of any volunteer-leader must be for the benefit of, or at the request of, and under the supervision of the state.
11. Receive approval, from both counties, if transferring from one county to another.

4-H Membership in a County other than the County of Residence

4-H members participate in 4-H by belonging to a 4-H club in their county of residence. The following policy is observed when this is not the case:

- 4-H members may join and enroll in projects in only one county at a time.
- 4-H members may participate as 4-H members in only one county fair per enrollment year, and exhibit project(s) in only one county per enrollment year.
- 4-H membership can be transferred from one county to another with written approval by the county Extension offices in both counties, which is a requirement for a transfer to take place. Transfers may only occur when the family moves, the 4-H member lives part of the year in one county and part of the year in another county, or as other situations arise and are approved.
- When a situation exists that necessitates change of residence mid-year, state and local 4-H fees will be assessed in both counties.
- Should a county Extension program close, 4-H members residing in that county will not be allowed to join 4-H in another county unless they have been enrolled in another county's 4-H Program prior to the closure of the Extension office in the county of their residence.

Additional 4-H Membership Expectations

Deadlines

1. Compliance with established, stated, and published deadlines is a requirement and an expectation of 4-H membership.
2. Individuals not complying with deadlines may lose privileges and the opportunity for awards. 4-H members who fail to comply with deadlines for ownership, inspection, or exhibition may be prevented from exhibiting project(s) or denied any and all premiums or awards for their project.
3. Deadlines are announced in the bi-monthly [4-H newsletters](#), E-Blasts, and the [Arapahoe County Fair Book](#), which discloses specific deadlines that pertain to the Arapahoe County Fair and exhibition.

Inquiries from Potential 4-H Members

It is an expectation that all 4-H members, including Cloverbud members and volunteer-leaders, support and encourage new families to become involved in 4-H. Individuals who inquire about 4-H also receive information from the Arapahoe County Extension Office about the 4-H Program. The 4-H Program Coordinator coordinates with appropriate volunteer-leaders to contact potential 4-H members.

Each 4-H club elects a set of officers which allows for the development of leadership and citizenship within each club. Each 4-H member should be given the opportunity to assume a leadership role within the club and/or 4-H Program. 4-H volunteer-leaders should not organize club meetings, but rely on and expect 4-H officers to take responsibility of leading 4-H club meetings with guidance and assistance. 4-H club officers should be given clear expectations and an outline of roles and responsibilities from the 4-H volunteer-leader(s) and retiring 4-H officers. 4-H officers should:

If the Arapahoe County Extension Office does not have specific manuals, they will be ordered.

4-H Leader and Member Manual Recall

4-H members and volunteer-leaders are asked to please return all unused and borrowed 4-H project manuals to the Arapahoe County Extension Office. In order to keep 4-H member enrollment fees down and provide project literature at no additional cost, each 4-H member is asked to only order necessary project literature. If a member is enrolled in the same project for multiple years, that member should only order project literature for that specific project one time, unless there is a literature update for that project. If project literature is updated, it is the 4-H member's responsibility to request the most current project literature.

Animal and Livestock Manuals

All animal projects; i.e., Beef, Sheep, Swine, Goat, Llama/Alpaca, Horse, Rabbit, Poultry, Dog, and Cat, manuals are one per family. The manual(s) are meant to be used throughout the 4-H member's participation in the animal and livestock projects. Returning 4-H members who have previously enrolled in animal and livestock projects will not receive the duplicate animal and livestock manual(s). If a replacement copy is needed, 4-H members will need to purchase a replacement manual. If a 4-H member is new to an animal and/or livestock project and has not previously enrolled in the specified project(s), the family will receive one copy of the appropriate manual.

4-H Project E-Records

1. 4-H members must complete an E-Record for each project the 4-H member is enrolled in and receive a score of 70% or above. E-Records may be graded by club volunteer-leaders or other designated personnel, selected by the club.

3. E-Records for Family Consumer Science, Shooting Sports, and General Projects will be turned in at the Arapahoe County Fair with the 4-H member's exhibit (only if the 4-H member chooses to exhibit). Otherwise, E-Records will be submitted to the project leader and graded by the date published in the [4-H Newsletter](#).
4. E-Records for Cat, Dog, Horse, Livestock and Small Animal projects are to be graded by a club volunteer-leader prior to turning in to the Arapahoe County Extension Office by the date published in the [4-H Newsletter](#).
5. The official rubrics and score sheet should be used when grading E-Records. Rubrics and score sheets are posted on the [Arapahoe County Extension website](#) on each 4-H project area page.
6. 4-H members in animal and livestock projects must complete one E-Record per animal project; i.e. one E-Record is required for breeding beef and another E-Record is required for market beef. The two projects should not be compiled into one E-Record, as they are separate projects.
7. 4-H members are encouraged to use 4-H E-Record binders, which can be purchased at the Arapahoe County Extension Office, or thin covers, not 3-ring binders as they take up too much space.

NOTE: If a 4-H member turns in an unsatisfactory E-Record, they should be given one week to revise the E-Record to reach a score of 70% or higher, prior to the date published in the [4-H Newsletter](#). If E-Record revisions are required and completed, the 4-H member will not be eligible for end-of-year E-Record awards, but the satisfactory revisions will meet the completion requirement.

Project Completion Enforcement

1. Enforcement of completion requirements is handled by the Arapahoe County Extension 4-H Agent at the Arapahoe County Extension Office. Organizational Club Leaders must submit documentation, included in the [End-of-Year report](#), of 4-H members who fail to complete their demonstrations and community service portions of the requirements.
2. If a 4-H member fails to complete a project, the member may not enroll in that same project the following 4-H year.

NOTE: Clubs may have additional participation requirements for continued participation in their club and to maintain active status within the club. This is different and separate from county and state project completion requirements and may vary from club to club.

Animal Projects

Primary Care of 4-H Animal Projects

1. The 4-H member must provide the primary and continuous care of their project animal(s) from beginning to completion of the project.
 - a) Primary care means that the 4-H member enrolled in the project takes the majority of the responsibility for the project, with assistance from family members or 4-H volunteer-leaders.
 - b) There may be rare circumstances when 4-H members may not be able to provide the necessary care for the animal at a particular time; i.e., illness, short vacations, etc. On such rare occasions, another individual may be called upon to provide secondary care.
2. It is recommended that there is at least a 60 day ownership period for Market Swine, Market Sheep, and Market Goat Projects. It is recommended that there is at least a 120 day ownership period for the Market Beef Project. Random checks may be conducted by the Arapahoe County Extension 4-H Agent regarding care and feeding of project animals during the ownership period.
3. The 4-H member should be the only individual to prepare and care for the project animal when it is being exhibited at the Arapahoe County Fair. If a 4-H member needs assistance for safety or educational reasons, another Arapahoe County Extension 4-H member (in good standing), immediate family members, or an Arapahoe County Extension 4-H volunteer-leader may provide it. If the 4-H member receives assistance, the 4-H member must be present, involved, and participating in the activity to learn from the teaching and instruction. The primary work should not be done for the 4-H member.

Animal Ownership

1. Each 4-H member shall own their 4-H exhibit(s). 4-H members must be able to show ownership of market animals. Non-market animals may be co-owned or leased (dog projects cannot be leased).
2. The Arapahoe County Extension Office must approve lease arrangements. The [4-H Lease Contract](#) must be completed and submitted to the Arapahoe County Extension Office.
3. Lease agreements or transfer of ownership must be in effect by *May 1*. Lease agreements are not authorized for market animals.

Animal Identification

1. All 4-H market animals; i.e., animals produced for consumption, must be individually identified; i.e., ear tags or other identification, at the tag-in date published in the [4-H Newsletter](#). Tag-in establishes ownership. All market animals must be owned by the established tag-in date. The tag-in date is the only time animals can be nominated for the Colorado State Fair.
2. All market beef, market sheep, and market goats must be retinal scanned for identification purposes facilitated and arranged by the Arapahoe County Extension Office.
3. Horse IDs must be submitted to the Arapahoe County Extension Office by *May 1*.
4. Dog IDs must be submitted to the Arapahoe County Extension Office by *May 1*.
5. In order for animal projects to be eligible to be exhibited at the Colorado State Fair, they must be nominated during tag-in.

Meat Quality Assurance Training Requirements

1. All new and current 4-H members advancing to intermediate (11 years old) or senior (14 years old) 4-H members must complete a Meat Quality Assurance (MQA) workshop if enrolled in any goat, beef, sheep, swine, poultry or rabbit project(s). This must be done at least 45 days prior to the Arapahoe County Fair in order to be eligible to exhibit at the county and/or state fair(s). Proof of compliance must be submitted to the Arapahoe County Extension Office.
2. 4-H members are required to attend an MQA training during their first year in a livestock project regardless of their age. 4-H members must also attend an MQA training when advancing to a new age group (intermediate and senior).
3. 4-H members enrolled in market and/or breeding livestock projects will complete and sign the Wholesome Meat Act Agreement at the Arapahoe County Fair. By signing the agreement, 4-H members indicate their understanding of and compliance with the *Wholesome Meat Act* and the Ten Good Production Practices; i.e., taught during MQA. Additionally, the consequences of failing to comply with the Wholesome Meat Act Agreement may result in removal from all 4-H livestock projects for the 4-H member /family. This agreement must be completed for each livestock project the 4-H member is enrolled in.
4. If the 4-H member is unable to attend an MQA workshop in Arapahoe County, the 4-H member may attend an MQA workshop in another county.

Pork Quality Assurance (Market and Breeding Swine Project Members Only)

PQA certification is accomplished by first attending an MQA workshop. Attending an MQA workshop certifies a 4-H member for PQA for one year. PQA certification can then be renewed by one of two ways:

1. The 4-H member may attend an MQA workshop each year which will provide certification per year.
2. The 4-H member may take a written test at the Arapahoe County Extension Office. The 4-H member must pass the test with at least a 70% score. If the member does not pass with a 70% score or above, the 4-H member may attempt to test twice more. If the three tests yield unsuccessful results, the 4-H member must attend an MQA workshop prior to being recertified. Tests are graded once a week. 4-H members will be notified of the results once graded.

Testing is only available to 4-H members needing to renew their PQA certifications. All initial PQA certifications are accomplished by attending an MQA workshop.

Compliance with Colorado Laws

In compliance with Colorado laws, the tampering with or drugging of livestock and/or sale of adulterated meat is prohibited for all 4-H members enrolled in a 4-H animal project. If legal charges are brought against any 4-H member, they will be suspended from participation in all 4-H livestock activities, pending resolution of those charges. If found guilty, the 4-H member will be prohibited by the Arapahoe County Extension 4-H Program from all livestock projects for one year and characterized as a member not in good standing.

Animal Forms and Guidelines

All 4-H animal project members and their parents must agree to the terms and conditions of the [Code of Show Ring Ethics Agreement](#) in order to exhibit at any county 4-H competitive event, including the Arapahoe County Fair. This needs to be completed one time annually regardless of the number of animal projects a 4-H member is enrolled in.

If the animal is housed at the 4-H member's place of residence this form is completed electronically when enrolling through 4HOnline. 2. Exhibiting 4-H projects provides 4-H members with an opportunity for project evaluation, display for public appreciation, engagement in wholesome competition, and participation in an educational and social environment with peers.
3. As project exhibition is a privilege, it is the 4-H member's responsibility to abide by all rules applicable to the respective 4-H project and exhibition. Not following the established guidelines of the projects will be grounds for exclusion from the exhibition.
4. The Arapahoe County 4-H Fair Book lists 4-H project exhibition requirements. In order for 4-H members to exhibit at the Arapahoe County Fair, requirements must be met. 4-H members should check updated Arapahoe County 4-H Fair Book requirements in the most current [Arapahoe County 4-H Fair Book](#), as there are few changes from year to year.

Decisions made by the responsible party or parties are final. Costs incurred to resolve the protest will be paid by the protester if the protest is not sustained or by the 4-H member if the protest is sustained.

4-H volunteer-leaders should never sign contracts for any engagement, including the use of facilities. Volunteer-leaders are prohibited from signing contracts on behalf of Arapahoe County Extension or the Arapahoe County Extension 4-H Program.
