Course Description:

Guidestone Colorado, in partnership with the Colorado Building Farmers Program, is offering the *Vision Course for Aspiring Farmers* who are dreaming about starting an urban farm. Participants undergo an in-depth exploration of their own vision and the core competencies and resources needed to launch! This course examines current trends, resources, case studies, and stories from experienced farmers while digging into a framework to begin strategic business planning.

Facilitators:

Danielle Ardrey
Program Coordinator, Colorado State University Extension, Arapahoe County. This will be Danielle's third year coordinating the Denver Metro Building Farmers program.

Jennifer Tucker Visitacion, MBA
Executive Director of Guidestone Colorado and Business, Leadership & Strategy Coach with Moonstone Ventures, LLC.. Jen and her family own Moonstone Farm and Retreat Center in Salida.
