DIVISION 0900 – ROBOTICS & ENGINEERING

All units contain Junior (8-10), Intermediate (11-13) and Senior Divisions (14-18).

NOTE: Please read 4-H Project Exhibit Rules pages 5 - 6.

Project Exhibit Information:

1. In Junk Drawer Units (1-3) youth are only allowed to enter a display board exhibit OR a stand-alone exhibit, not both.
2. Robotics Platform is just a fancy way to say robotics kits or robotics materials. Some types of commercial kits or platform include: Arduinio Kits, EV3, Brushbot, Make, Hexy, Pushbutton, Programmable Robotic Kit, Sparky, Cubelets, Robotic Arm Edge, Sparkfun Red Bot, WeDo, Multiplo, NXT, TETRIX, CEENBot, and VEX.
3. Youth working individually on a robotics platform should enroll in the Platform Units. Youth should advance between Unit 4-6 as they feel they are progressing in their project knowledge
4. Youth working on a team on a robotics platform should enroll in the Team Robotics Unit. Despite being on a team the Fair exhibit is meant to be completed and entered by an individual member.
5. For more information about various team competitive robotics opportunities, see the list from the Colorado 4-H STEM website.
6. Robotic Notebook V. Robotic Supplement – Junk Drawer Robotics and Platform Robotics come with youth notebooks which are much like a workbook. These notebooks lead youth through the activities in the unit and

are optional. FIRST and BEST Robotics often require youth to complete a robotics notebook along with their robot for competition. Robotics notebooks for FIRST and BEST are not required to be exhibited with the 4-H project. What is required is the Robotics Supplement. The robotics supplement is designed for youth to describe in detail on robotics or engineering concept that they learned throughout the year.

7. The robotics Supplement is an application and can be accessed through the Android or the Apple Marketplace. If you do not have access to a smart phone or tablet device, the robotics supplement is also available in hard copy or in the Robotic e-Record.
8. For more information about FIRST Robotics organization check out: www.usfirst.org

9. Any cost to prove or disprove a positive test will be borne entirely by the exhibitor.
10. **The test results from the testing laboratories are final and binding upon the exhibitor, the exhibitor’s parents or guardian even if the exhibitor, or the parents or guardians did not administer the drug or foreign substance to the animal. The exhibitor and the exhibitor’s parents or legal guardians agree when signing the Fair entry form that they are the persons absolutely responsible for the care and custody of their animals in preparation for and while at the Arapahoe County Fair.**
11. Any exhibitor whose animal tests positive for any drug, foreign substance or is altered in violation of these terms and conditions will be disqualified and forfeit all premiums, trophies, buckles, awards, ribbons, and Auction monies received for the animal that tested positive. Member will not be allowed to show livestock in the Arapahoe County Fair the following year. In addition, action may be taken against the exhibitor and their parents or guardians by the USDA or State of Colorado. The 4-H member will lose their good standing status in the state of Colorado for one year, which would prohibit them from participating in ANY additional livestock shows during their probation.

USDA MEAT, MILK, AND EGG QUALITY ASSURANCE STANDARDS:

The Arapahoe County 4-H program and County Fair Planning Committee endorses and supports the USDA Wholesome Meat Assurance Act.

1. **MQA Training Requirements:**

- a. All new and current 4-H members advancing to intermediate (11 years old) or senior (14 years old) must complete a Meat Quality Assurance (MQA) workshop if enrolled in any goat, beef, sheep, swine, poultry or rabbit project(s).
- b. MQA training must be done 45 days prior to the Arapahoe County Fair in order to be eligible to exhibit at the county and/or state Fair(s). Proof of compliance must be submitted to the Arapahoe County Extension Office.
- c. 4-H members are required to attend a MQA training during their first year in a livestock project regardless of their age.
- d. 4-H members advancing to a new age group (intermediate and senior) must also attend an MQA.
- e. 4-H members unable to attend an MQA workshop in Arapahoe County, may attend an MQA workshop in another county **OR** they may obtain a Youth for the Quality Care of Animals (YQCA) certification online or in person at their own expense. YQCA certification is valid for only 1 year and therefore the member must attend a Colorado MQA training the following year.
- f. Exhibitors enrolled in market and/or breeding livestock projects will complete and sign the Wholesome Meat Act Agreement at the Arapahoe County Fair.
- g. By signing the agreement, 4-H members indicate their understanding of and compliance with the Wholesome Meat Act and the Ten Good Production Practices; i.e., taught during MQA. Additionally, the consequences of failing to comply with the Wholesome Meat Act Agreement may result in removal from all 4-H livestock projects for the 4-H member/family. This agreement must be completed for each livestock project the 4-H member is enrolled in.

2. **YQCA Requirements (Youth for the Quality Care of Animals):**

- a. **YQCA can be completed by a member enrolled in any livestock project.**
- b. **This certification is only valid for one (1) year.**
- c. **Members exhibiting market hog projects at state or national shows will be required to obtain a YQCA certification. Check individual show requirements if you plan to exhibit at a show. YQCA may also be required of all species at various shows.**
- d. **Meeting YQCA certification requirements is the exhibitor's responsibility.**
- e. **YQCA is available online for youth in the United States. YQCA in-person workshops may be available to youth where organizations have partnered with YQCA to have qualified trainers offer in-person workshops.**

3. 4-H livestock exhibitors and parents must comply with the following industry standards to assure highest quality meat, milk, and egg products.

- a. Strictly follow labeling and manufacturer's pre-market withdrawal periods specified for any and all

medications, drugs, pesticides or feed additives administered.

- b. The use of any non-approved chemical or improper use of chemicals is strictly prohibited.
- c. Adhere to health requirements and previously stated standards of ethical and humane treatment of livestock to maximize quality of meat products upon shipment for processing.
- d. Agree to provide proper health treatment under the direct supervision of a licensed veterinarian to animal(s) entered at the Fair, if any antibiotic, medication, pesticide or other substance is administered during the Fair.
- e. Agree to withdraw entry from Fair Youth Livestock Auction for non-compliance with health and/or wholesome meat assurance standards.
- f. Hold harmless the Arapahoe County Fair Youth Livestock Auction Committee, the Arapahoe County Fair staff and Fair Planning Committee for any loss or damages incurred from the loss of meat or income should an animal be disqualified from the Auction or condemned during processing under the conditions of the USDA Wholesome Meat Assurance Act.
- g. Colorado and Federal laws prohibit the marketing of unsafe or unwholesome animal products into the food chain for human consumption. Livestock producers, including 4-H members, who violate quality assurance standards may be criminally liable to prosecution. In addition, by Colorado 4-H policy, violation of quality assurance standards may result in the State 4-H Office changing the "member in good standing" status of any member who violates MQA standards to 4-H member being "not in good standing" and all sanctions that go with that for one year in 4-H.
- h. If a member, parent or leader enrolled in a 4-H livestock project violates provisions of either the Wholesome Meat Act or the Meat Quality Assurance Act, the state 4-H office can take away the good standing of the violating member or leader and they will be unable to participate in 4-H contests, Fairs or events for one year.
- i. At any time after an animal arrives on the Fair or livestock show premises, all treatments involving the use of drugs and/or medications shall be administered by a licensed veterinarian, for the sole purpose of protecting the health of the animal.

When less than three goats are entered in a class, the superintendent may allow individual entries to be judged or may combine classes at his/her discretion. Large classes may be split into smaller classes.

Animals should not be lifted for extended period of time, only in brief instances to assist in getting it set when the judge is not handling or viewing the animal. If an exhibitor fails to keep all 4 legs on the ground, it may result in immediate disqualification from their showmanship class. Exhibitors will receive one verbal warning from the ring steward. The second offense will result in the loss of Fair premiums for all goat classes.**

Goats: All breeding goats and all does shown as market goats. Additionally, all goats 18 months of age or older that are or have been commingled with sheep (including wethers). Exception: Registered goats with no sheep contact may use tattoos with Breed Registration Numbers in place of Scrapie tags. A purchased animal should have the seller's Scrapie tag. 10. Exhibitors may enter in multiple Obedience or Rally classes with different dogs.
11. The dog must be trained and shown by the exhibitor.
12. "A" level classes are limited to exhibitors and/or dogs with no experience showing in that class. If a project member and/or dog has ever received a qualifying score in an A level class and decides to show a new dog, the members must enter the "B" level class.
13. Exhibitors entered in B classes are for experienced handlers with a **new dog or who have never received a blue ribbon at a previous state Fair dog show in the class entered, the exception being Beginner novice B.**
14. Youth who have been in 4-H Dog Trials for two years or more are **not** eligible to compete in Beginner-Novice A class or in Junior, Intermediate or Senior Novice Showmanship.

COLORADO STATE 4-H DRESS CODE:

1. **This dress code is to be followed by all Junior, Intermediate and Senior 4-H members, as well as adult leaders, advisors, and chaperones at all Colorado State 4-H sponsored events including but not limited to the Colorado State Fair 4-H Dog Trials. Deviations from the dress code will result in a request to change. This dress code is not subject to personal interpretation. A state officer, adult leader, advisor, or chaperone may deem clothing inappropriate. In addition, some activities or events will have specific dress requirements that will need to be followed.**
2. **Appropriate dress consists of:**

6. **It is always a good idea to have another person observe you before you go into the ring making sure that the clothing you are wearing is appropriate when bending, stooping, kneeling or running while showing your dog. If it is not, it is advisable to change clothes.**

DOG SHOW CONTEST RULES:

1. Fair entry time for dogs is 8:00 - 8:30 a.m., Sunday, July 23. Late entries are subject to a \$25 late fee at the discretion of the Superintendent. Show begins at 9:00 a.m.

4. Parents/Guardians and 4-H members are responsible for the safety, supervision, and behavior of their animals at all times.
5. Arapahoe County 4-H Dog Show officials and/or staff can and will dismiss any entrant or their families from the show for any mistreatment of dogs entered in this show. If a question should arise as to what constitutes "mistreatment", the County 4-H staff and/or officials will meet to decide appropriate action in each case.
6. Any negative behavior on the part of the exhibitor and/or families, or leaders directed toward any show official will result in disqualification and awards forfeited.
7. Entrants are encouraged to use the Animal Care and Housing Form for Colorado 4-H Livestock Projects.
8. During the show, all spectators including parents will remain outside the judging arena and office and not question the placing or speak to the judge.
9. If there is a question as to the rules or the judging of a class, adult family members or leaders must approach the Superintendent of that division, **not the judge**. The Superintendent will then take the question to the judge if warranted.
10. If a dog has failed an exercise, it will not ordinarily be re-judged unless the judge feels the dog's performance was prejudiced by peculiar and unusual conditions. In such a case, the judge may wish to re-judge the dog only on the portion of the exercise in which the unusual condition occurred.
11. Spectators/parents must stay at least ten feet from the ring.
12. **No set-up will be allowed anywhere near the rings. Allowable set up areas will be designated and no one will be allowed to set-up in any other areas.**

13. All entrants will be responsible for cleanup after their dogs. Failure to do so can be a basis for dismissal from the County Fair 4-H Dog Show and/or forfeiture of any placing.
14. Only the judge, superintendent(s), 4-H Staff, tabulators and appointed secretary are allowed behind the table and in the office.
15. All dogs and exhibitors should arrive at 8:00 a.m. and shall remain until the completion of their last class.
16. All exhibitors are to remain on site while score sheets are tabulated, so that awards can be handed out at the end of the day.
17. All dogs must be on leash at all times while at the Arapahoe County Fair except when judging requires off-lead work in the show ring.
18. Dogs which are deemed to be a danger to people or other dogs can and will be removed from the show grounds and all classes forfeited. This will be determined by the Superintendent.
19. A dog that bites, nips, or makes contact in an aggressive manner which results in abrasions or bodily injury to a person or other animal will be immediately removed from the show and the fairgrounds.
20. The Arapahoe County 4-H Dog Show is a 4-H show. As such, 4-H youth development principles are of primary importance. Show rules and guidelines are modeled after AKC rules whenever possible except that dog registry with AKC is not required. Differences between AKC and 4-H are noted by an asterisk on the score card printouts.
21. **All exhibitors are encouraged to enter obedience classes plus showmanship because scores will be combined when determining county Overall Championships.**
22. **Rally classes are not used in determining Overall Dog Championships.**
23. Dog tags (name tags, rabies tags or anything else that hangs from a dog's collar) are not allowed in the ring. Tags must be worn at all times except in the ring.
24. Only the correct equipment for the appropriate class should be used.
25. The length of your obedience leash should be six feet for all Beginner Novice and Novice classes, but may be shorter for all other classes. (Preferably leather lead).
26. Allowed collars in classes include flat or rolled leather or nylon with buckle or snap closure or metal choke chain.
27. Halties, gentle leaders, harnesses or pinch collars will not be allowed in the show ring.
28. Collars and leads must be 2 separate pieces. Slip leads are not allowed.
29. Depending on what you are wearing in the showmanship ring, use proper kneeling etiquette. If you are in a skirt, it is best to kneel on both knees. If you are wearing pants, it would be appropriate to kneel on only one knee.

DOG ELIGIBILITY RULES

1. Hybrid Dogs (wolf/coyote) will not be allowed to enter the Arapahoe County or Colorado State 4-H Dog show.
2. A dog and handler team with any other rally or obedience title from any nationally recognized title-granting organization (A.K.C., U.K.C., A.S.C.A., etc.) is disqualified from entering the class for which the degree

was awarded or any lower class; except if the title was won less than four months before the County Fair, then the dog and handler team is eligible for only the same class.

3. If the dog and handler team receives a title more than 4 months before the State Fair Dog Trial, they must move up to the next class. The exceptions to this titling rule are Obedience – Grad Novice, Open, Grad Open, Utility; Rally Advanced Excellent and Masters. If you receive titles in these classes, you may still compete as a “B” level competitor in the same class at State Fair for as long as necessary to complete the training needed to move up to the next class.
4. A bitch in season may be shown at the Arapahoe County Fair **only** if the exhibitor communicates with the superintendent or Extension Office prior to the show and complies with established guidelines. **A bitch in heat, obviously pregnant or lactating will not be allowed to compete in any classes at the State Fair.**
5. Dogs in obvious pain from a previous illness or injury shall not be shown. If a dog is injured at a show, that dog will be excused from the ring. Consideration of a dog's physical disability needs to be addressed between the handler and project leader before starting the project.
6. All dogs participating in the County and State Fairs must show proof of vaccine for canine distemper and parvovirus within 3 years or serum titers indicating proof of effective immunity (at the time of County Fair entry
7. A current rabies vaccination certificate must also be provided. Titters are **not** accepted. **NO EXCEPTIONS.**
8. Date of the vaccinations must be provided with the entry and in the project record in the place provided.
9. **Proof of vaccinations must come from a licensed veterinarian or the dog is not legally considered vaccinated.**
10. If the exhibitor's dog receives Rabies immunizations which are given by anyone who is not a Colorado Sate licensed veterinarian, these immunizations will not be recognized by law should the dog bite someone.
11. If an exhibitor's dog does not receive Rabies immunizations as required by the state of Colorado for all 4-H dog project participants, a certificate from the exhibitor's veterinarian stating the reason must accompany the Arapahoe County Entry.
12. It is strongly encouraged but not required that dogs eligible for State Fair be vaccinated for Bordetella (kennel cough).
13. **Recommendations to minimize the change of infectious disease spread at the Dog Show:**
 - a. Do not bring dogs who have shown signs of respiratory (sneeze nasal discharge, or cough), gastrointestinal (vomiting or diarrhea), or skin disease (open cores, crusty skin patches, or increased scratching) within 7 days prior to show.
 - b. While at the show keep your dog(s) to themselves, do not share equipment between dogs from different households or kennels.

DIVISION - OBEDIENCE CLASSES

Project Exhibit Rules:

1. All 4-H obedience classes will be patterned after the latest AKC obedience guidelines whenever possible, except that dog registry with AKC is not required. Some exercises and rules may have been adapted from AKC to better serve the 4-H youth of this program.
2. If an exhibitor has two dogs in the same obedience class, they must choose one dog for the group exercises. The other dog must be handled by a currently enrolled 4-H Dog exhibitor for the group sits and downs. Each dog, however, must be a part of the 4-H project with a separate E-record book for each dog.
3. Handlers entered in B classes will be judged at a higher skill level (handler errors) than handlers entered in A classes.
4. In all obedience classes except puppy classes, fifteen points will be deducted for the following: strong correcting or disciplining, excessive barking, leaving the ring, rules violation or showing fear.
5. In all Obedience classes, fouling the ring will be a 15 point deduction. The member will be allowed to finish their run.
6. Only one command can be given in obedience classes, per exercise, unless additional commands are appropriate to that class. Use of the dog's name with a verbal command (Spot, sit!) can be used. If verbal commands are not used, **one** appropriate hand signal may be used.

VETERANS DIVISION

1. The Veteran Obedience Division is an option for any dog aged 7 years old or over who may no longer be able to jump the standard regulation height due to age, injury, joint issues, comfort, etc.
2. Veteran Division dogs will be required to jump ½ of their regulation jump height. They will be required to perform all exercises in their class; jump height will be the only difference from the regular class.
3. Once a veteran dog can no longer jump at least ½ their regulation jump height they must be moved to a class that does not require jumping. Exhibitors, parents, trainers, and leaders cannot determine a jump height for a dog. They will be judged at ½ their required regulation jump height.

4. Dogs shown as a Veteran are not eligible for any other Obedience classes or Rally classes.
5. It is the choice of the exhibitor, the member's parent, and the member's trainer and veterinarian as to giving a dog Veteran's designation.
6. Veteran dogs will compete at the obedience level the member chooses, from Novice up through Utility.
7. A veteran dog may change obedience levels in either direction each year as their health determines.
8. Veterans Obedience Division Scores will be calculated as follows:
 - a. Novice: judge's score
 - b. Pre-Grad-Novice: judge's score plus 3 points
 - c. Grad Novice: judge's score plus 6 points
 - d. Open: judge's score plus 9 points
 - e. Grad Open: judge's score plus 12 points
 - f. Utility: judge's score plus 15 points
9. Veteran dogs will compete only against other veteran dogs for ribbons and awards. Their scores will not count toward awards in any other Obedience divisions.
10. If a dog is entered as a Veteran during a project year, they may go back to regular obedience the following year; however, they must go back to the level they would have been competing at before they moved to veterans.

PUPPY HANDLERS:

1. Handlers will be encouraged to use a reward system of food treats or toys in the ring to reward the puppy during and after each exercise. Double commands (or more) will be allowed. This class will be evaluated more on the handler's skill in training a young dog and dealing with the animal's mistakes than on the skill of the animal when performing the exercises. This will be a **NO SCORE CLASS**. The score sheet will consist of Excellent, Good or Needs Improvement in each of the following areas:
 - a. **Loose Lead Walking** – This exercise is used to encourage the puppy to feel comfortable and happy on lead while maintaining a distance of no more than two feet from the handler's left side. This does not need to be heel position. Handlers may use bait and toys to keep the puppy in the correct position, and may tell the puppy to sit after a "Halt." Things to be considered in judging include the enjoyment of the puppy, the bond between the puppy and the handler, and the handler's ability to get the puppy's attention back after a distraction.
 - b. **Sit for Exam** – In this exercise the puppy is commanded to a sit position. The judge will approach the puppy and examine it. The judge is required to handle the puppy's ears, mouth, and one front foot during the exam, although petting and scratching are encouraged. The purpose of this exercise is to teach the puppy to accept handling from a friendly stranger.
 - c. **Recall** – The handler will command the puppy to stay in a sit position and will step just in front of the puppy with his or her toes no more than six inches from the puppies' front feet. When the judge says "Call your dog," the handler will proceed to walk backward no more than six feet while calling the puppy. The puppy should get

up and follow the handler in a happy manner. After the six feet has been reached, the handler will command the puppy to sit.

d. **Down Stay** – The handler will put the puppy in a down. When the judge says “Leave your puppy,” the handler will tell the puppy to stay. The handler will walk to the end of the lead, pause, and then immediately walk behind the puppy and back to heel position.

e. **Serpentine Walking** – The puppy and handler will walk on a loose lead through a serpentine of three people positioned in a straight line. The expectations are the same as for Loose Lead Walking, with the addition of the distraction of the three “posts.”

2. After one year of showing in the Puppy Obedience Class: If the exhibitor was in their 1st year of obedience training, the team moves into Beginner Novice A Obedience, if the exhibitor was in their 2nd year or higher of obedience training, the team moves to Beginner Novice C 1st year.

BEGINNER-NOVICE OBEDIENCE DIVISION:

PUPPY CLASSES:

The purpose of this class is to introduce obedience commands to a puppy without the stress of perfection seen in regular obedience classes. This class will introduce the puppy to dog shows in a positive manner, thus setting the puppy up for a life time of enjoyment in the show ring.

Class is open to puppies which are not ready for regular obedience classes. This class is available at the county level but not the State level 4-H Dog Trials.

Greater than 37"	36 inches

OBEDIENCE JUMP INFORMATION:

1. There are 3 types of jumps that may be used in Obedience classes: Bar Jump, High Jump and Broad Jump. The dog must jump their regulation height and width for their class. The Broad Jump will cover a distance equal to twice the standard height of the High or Bar Jump setting
2. For the broad jump the correct number of boards must be used for the width being jumped. Refer to the chart for proper jump regulations.
3. Broad Jump Heights:
 - a. Four boards are used for 48 – 72 inches
 - b. Three boards are used for 28 – 44 inches
 - c. Two boards are used for 16 – 24 inches
4. When decreasing the number of boards in the broad jump, the highest hurdle is removed first.
5. Some breeds, because of their conformation, have exceptions granted for their jump heights. Check the AKC website under obedience rules for current chart of exceptions of breeds for these jumps. (www.akc.org)

DIVISION - SHOWMANSHIP CLASSES

Project Exhibit Rules:

1. Only one dog may be exhibited in showmanship. It may be a different dog than entered in obedience.
2. Exhibitors should be prepared to answer questions about their dogs and AKC Junior Showmanship rules as part of their showmanship competition.
3. A first year dog project exhibitor may enter the Open Showmanship class but will not be eligible to compete at

State Fair if they receive a qualifying score at County Fair. **It is to the first year exhibitor's advantage to compete in the Novice Showmanship class at County Fair.**

4. Unless it is a health or safety issue for the exhibitor or dog, all appropriate dogs will be tabled for showmanship. It is always left to the judge's discretion. See Tabled Breed List. For a complete list go to www.AKC.org. Also refer to page 110 - 111 of the Dog Manual.

General Tips for Showmanship:

1. A brush, comb and a drool rag will be allowed in the ring. No other equipment is permitted.
2. Exhibitors with smaller breeds will be expected to show their dogs on a table. Judges will take into consideration the size and physical abilities of the handler. A list of most of the table breeds can be found in the project manual on page 110 - 111. A more complete list is available on the AKC website www.akc.org.
3. If an exhibitor is showing a mixed-breed dog, they should determine what breed their dog most resembles, and show in the manner of that breed. If you have a mixed breed dog, you can go to the AKC website and look at different pictures of the breeds of dog to decide which breed your dog looks most like.

NOVICE SHOWMANSHIP: Junior, Intermediate and Senior Novice classes are for those exhibitors who are in their first year in the 4-H dog project and have no prior experience with any other dog showing entity. If exhibitor has prior experience, they must show in open class in the appropriate age group.

- CLASS 500:** Junior (8-10 as of Dec. 31, 2022)
- CLASS 502:** Intermediate (11-13 as of Dec. 31, 2022)
- CLASS 505:** Senior (14-18 as of Dec. 31, 2022)

OPEN SHOWMANSHIP: Competition is for those exhibitors in their second year or higher in the 4-H dog project with previous experience in showmanship.

- CLASS 501:** Junior (8-10 as of Dec. 31, 2022)
- CLASS 503:** Intermediate (11-13 as of Dec. 31, 2022)
- CLASS 506:** Senior (14-18 as of Dec. 31, 2022)

INTERMEDIATE & SENIOR ADVANCED CLASSES:

- a. Any exhibitor who has placed in the top ten in the Intermediate or Senior Open Showmanship classes at any previous State Fair must show in Intermediate or Senior Advanced Classes for their remaining years in that age group.
- b. If a member who has shown in the Intermediate or Senior Advanced classes gets a new dog, they have the choice to either continue showing Advanced classes or move back to Open Class in their respective age groups.
- c. If the exhibitor chooses to move back to Open Class in their respective age group with a new dog, they must then qualify the new dog to move to the Advanced classes by placing in the top ten at State Fair.
- d. A Senior exhibitor who has moved up by age from either the Intermediate Open or Advanced class may choose to show in Senior Advanced by advice of their leader and taking into consideration the caliber of the exhibitor. Some reasons for choosing this move are:

- The exhibitor placed Grand Champion or Reserve Grand Champion at a State Fair Dog Show in the Intermediate Division.
- This exhibitor has received Best Junior Handler awards from any National Dog club.

- CLASS 504:** Intermediate (11-13 as of Dec. 31, 2022)
- CLASS 507:** Senior (14-18 as of Dec. 31, 2022)

MASTER SHOWMAN: Previous Intermediate and Senior Grand or Reserve Grand Champion Winners at the Colorado State Fair are required to enter the Master Showman class.

- a. If the exhibitor is in the Intermediate age group, when they become a Senior (at age 14), they must remain in the Master Showman class.
- b. If the exhibitor who has shown in Master Showman in past years should get a new dog, they must continue in the Master Showman class.

CLASS 508: MASTER SHOWMANSHIP

No additional obedience or showmanship classes will be added other than those established by the State Fair.

Please Note: During the Showmanship class each area of judging will be judged throughout the entire class. The score will reflect the exhibitor's ability to perform these items throughout the class and not just one time. For example: The dog should be stacked (either hand stacked or free stacked) upon entering the ring, during the exam, after the pattern, and any time they are in the line-up. The "set-up" score will reflect all of these times when the dog is stacked. A qualifying score will be 170 points out of the possible 200 points.

CLOVERBUD SHOWMANSHIP:

CLASS 509: Cloverbuds

This specific class is for Cloverbuds, ages 5-7. Cloverbuds will use stuffed animal dogs to get the experience of showing dogs. Cloverbuds will bring their own stuffed dogs. The Companion Animal committee will provide showmanship leaders during the show. The class will take place after all other showmanship classes are finished.

DIVISION – RALLY CLASSES

HEIGHT OF DOG AT WITHERS	HIGH OR BAR JUP HEIGHT TO BE JUMPED	BORAD JUMP DISTANCE TO BE JUMPED
Less than 10 inches	4 inches	8 inches (1 board)
10 inches to less than 15 inches	8 inches	16 inches (2 boards)
15 inches to less than 20 inches	12 inches	24 inches (2 boards)
20 inches and over	16 inches	32 inches (3 boards)

Project Exhibit Rules:

1. All 4-H Rally classes will be patterned after the latest AKC Obedience guidelines whenever possible except

that dog registry with AKC is not required. Some exercises and rules may have been adapted from AKC to better serve the exhibitors of this program.

2. There are no classes for Veteran dogs in Rally. All dogs **MUST** be able to perform the required items.
3. Any 4-H member showing a dog which they did not title should start in the Novice Division. If a 4-H exhibitor did not title the dog, then he/she should compete in the Novice Division as it is important that they learn to give the proper commands and follow the patterns before moving to higher levels.
4. A dog with any other rally or obedience title is disqualified from entering the class for which the degree was awarded or any lower class, except if that title was won less than four months before the Fair. In that case, the dog is eligible for entry in the same class.
5. In all Rally classes a 15 point deduction will be administered for the following: strong correcting, disciplining, fouling the ring, excessive barking, consistently tight lead, knocking over a jump, or a sign not attempted by a handler.
6. Handlers entered in B classes will be judged at a higher skill level (handler errors) than handlers entered in A classes.
7. Each exhibitors is allowed only one run in each class.
8. Note: For the safety of all, a dog that snaps, bites or attempts to bite will be excused from the ring.
9. All jump heights will conform to current (as of January 2023) rules and regulations) AKC Rally height and broad jump recommendations. The standard Rally AKC jump requirements are as follows:
10. "A" level classes are limited to exhibitors with no prior experience showing a dog in that class. Exhibitors showing a new dog must enter the "B" level if they ever received a qualifying score in that class with any other dog.

Display Board Guidelines for State Fair 4-H Exhibits

Display boards are a great way to share information, but when viewers walk by, they spend only 60-90 seconds looking at each display board. Make yours stand out by highlighting the main points of your project in a fun, interesting way.

Follow these guidelines to create a display board for the state fair.

SHAPE
Design your exhibit so information fits on the display. Remember, you have 1 large surface, and 2 smaller side wings

SPACE
Your display should only discuss one main topic. This will help it look neat and uncrowded

ATTACHMENTS
When attaching pictures or objects to your board make sure they are secure. Use glue for pictures and paper, and consider wires, zip ties or staples to attach bulkier items. Do not attach items that are so heavy that your board can't stand or fold.

TEXT
Make sure that all the text on your display is easy to read. Use a large font for the title, and smaller fonts for the headings and body text. Text must be readable from 3-5 feet away. Use large bold letters. Dark letters on a light background works best.

SIZE
Display boards for the state fair must measure 4 ft. wide x 3 ft. tall. They should be made of lightweight cardboard, but not poster board. Pre-cut boards are available at most craft and shopping centers. No part of your display may extend beyond these boundaries.

DISPLAY BOOKS

Your e-record book should accompany your board. You may use 3-ring binders or other notebooks that will keep the pages securely inside.

You may not use slider-type binders.

Please place a label with the following information
In the upper right-hand corner of the front cover:

County, Name, Project Area, and Class

DRUG TESTING WAIVER

The Fair Planning Committee reserves the right to test any animal which is presented for exhibition at any time during the Fair or during the time the animal is on the Arapahoe County Fairgrounds for illegal substances, drugs, or any substances designed to provide the exhibitor with an unfair competitive advantage. The testing decision shall be at the sole discretion of the Fair Planning Committee, either on a random basis or based on an investigation conducted by the Fair Planning Committee and/or the Fair Planning Committee’s veterinarian; or based on the applicable Fair Book rules, State Statutes or State 4-H rules or the specie Superintendent. If a decision is made by the majority of the Fair Planning Committee to disqualify an exhibitor, the cost of any testing past the preliminary test shall be paid by the exhibitor, and the Fair Planning Committee shall have discretionary power to determine any additional penalties, including but not limited to: forfeiture of awards, Auction proceeds, premiums and banning the exhibitor and his/her immediate family (siblings and parents) for any length of time.

By entering livestock into the Arapahoe County Fair for exhibition, the exhibitor expressly agrees to the terms and conditions set forth above and agrees to cooperate with the Fair Planning Committee to arrange for and complete testing. Any failure to comply with a request from the Fair Planning Committee for testing, as stated above, will result in immediate dismissal from the grounds and competition and all awards, prizes, premiums, and Auction proceeds may be forfeited, based on the sole discretion of the Fair Planning Committee. The exhibitor agrees to hold harmless and to indemnify the Fair Planning Committee and Arapahoe County from any and all damages resulting from such testing and the testing procedures and decisions stated above.
