

# Arapahoe County 4-H Clubs

## WHAT IS A 4-H CLUB?

A 4-H club is a group of youth with similar interests. Groups meet to learn a new skill in a 4-H project area and have fun. They can be neighbors, friends and family members. The club determines when, where and how often they will meet and what projects they will work on.

Members attend monthly club meetings, complete community service, work on projects, and participate in social and/or educational events hosted by clubs or the County Extension office.

## WHO LEADS A 4-H CLUB?

Each club has two or more adult volunteers who help to organize and guide hands-on learning activities for the youth.

Club members also serve as youth officers, such as president, vice president, treasurer, and more; and gain valuable leadership experience.

## HOW CAN I GET STARTED IN A 4-H CLUB?

Youth ages 5-18 can join an existing club in Arapahoe County, or start a new club with a group of friends and 2 volunteer leaders. New 4-H members may enroll in existing 4-H clubs between October 1 and April 1, although some clubs may have an earlier deadline.
